Social Picnics

Picnic food is perfect for wedding rehearsal dinners in the backyard, family reunions, birthday parties, church events, graduation parties and any time you just want to have fun with your family and friends!

Smaller groups may want to simply have the food delivered in disposable pans, ready to be served. If you have a larger group, or really don't want to have to do all the work, we are happy to provide service staff to grill, set up and refill the buffet, then do all the clean up and leave your kitchen sparkling clean.

To confirm your date a \$200.00 deposit is required, and your confirmed minimum guest count is requested 5 days in advance. This number may be increased but not decreased. Final payment is due the day of the event. A 20% service charge will be added to all full service catering, as well as Florida State sales tax.

Staffing costs depend on your menu, location and length of your picnic.

All Hamburger and Hot Dog menus require a grill (or grills depending on the number of guests attending). Grills are not required if you request drop-off service only. There is an additional fee of \$150 for this service.
